

# Curriculum Vitae

## Personal information

First name / Surname **RUBIO MELENDI, DAVID**  
Address Biedes s/n, 33539, Piloña (Asturias - Spain)  
Telephone +34 690 049 014  
E-mails [david@hydrogeophysicsndt.com](mailto:david@hydrogeophysicsndt.com)  
[drmeliendi@gmail.com](mailto:drmeliendi@gmail.com)  
[drmeliendi@hotmail.com](mailto:drmeliendi@hotmail.com)  
Nationality Spanish  
Date of birth 05/10/1987

## Occupational field

### Work experience

Dates January 2012 - Present  
Occupation or position held **NDT and geophysics researcher**  
Main activities and responsibilities GPR and other geophysics techniques, numerical modelling, signal processing and field work.  
Employer Hydro-geophysics and NDT Modelling Unit  
Department of Mining Exploration and Prospection – University of Oviedo  
  
Dates February 2009 – April 2009  
Occupation or position held **NDT and geophysics researcher**  
Main activities and responsibilities Impact echo and wave propagation, signal processing and field work.  
Employer Hydro-geophysics and NDT Modelling Unit  
Department of Mining Exploration and Prospection – University of Oviedo  
  
Dates October 2005 – May 2011  
Occupation or position held **Private tutor in physics and mathematics**  
Main activities and responsibilities Private lessons to students from high school and undergraduate.  
Employer Self-employment (non demonstrable).

## Education and training

Date 2011  
Title of qualification awarded **Licentiate (B.Sc.), Physics**  
Principal subjects / occupational skills Specializing in electronics, automation and signal processing.  
Covered

Name and type of organisation providing education and training	University of Oviedo (Faculty of Science). Student grant from 2005 to 2008 (Fundación para el desarrollo de la formación en las comarcas mineras del carbón)																														
Date	2014																														
Title of qualification awarded	<b>Master, Signal Theory and Communications</b>																														
Principal subjects / occupational skills covered	Signal processing.																														
Name and type of organisation providing education and training	University of Vigo.
